FOREWORD

A great conflagration disperses many smaller flames from its midst as it progresses. These trifling sparks falter momentarily, then accustom themselves to their new role in the world. Thus it shall be with the seniors who hesitatingly depart from South High to establish themselves as individuals. The Sohian is intended to keep alive cherished school-day memories as the years pass, and prevent them from being squelched out as a spark.

MR. HOMER E. KOHL,
Principal of South High School

Dear Mr. Kohl,

"Parting is such sweet sorrow." This famous maxim reflects the sentiments of the senior class as we bid our final goodbyes to South High. In past years, the idea of high school in this area has been synonomous with "globetrotting." Fortunately, we '63 graduates were able to spend our final two years of secondary education in much more stable surroundings, South High School. Although our appreciation of this advantage may have sometimes appeared blurred, we are proud to refer to South as "home."

Few of us will ever forget the opening of our school and its persevering struggle for recognition. We are aware of the fact that "South High School" has been transposed from a barren, meaningless title to one which has dynamic meaning.

As we terminate our years at South, we shall carry along with us a sense of confidence in the future which we have acquired from teachers, counselors, and you, Mr. Kohl. In a final tribute to South High School, we, the graduating class of '63, wish to express our gratitude for the smoothened path that we may now travel in the rugged road of life.

Sincerely yours,
The 1963 Graduating Class

NATIONAL HONOR SOCIETY

ROW ONE: Ginny Schmidt, Jill Friend, Charlene Mulligan. ROW TWO: Paul Stieman, Elaine Smith, Dale Reis.

The National Honor Society—a symbol of leadership, scholarship, service, and character.

One of the highest honors bestowed upon a student of South High School is membership in the National Honor Society. Only a few students from South have obtained the qualifications for this honorary distinction. The qualifications are: having a faculty recommendation and maintaining a 3.5 average. With the leadership of Mr. Saxman, their advisor, and President Paul Stieman, Vice-President Elaine Smith, and Secretary-Treasurer Charlene Mulligan, this newly formed group hopes to set a precedent for future members to follow and admire. The Honor Society is not an active club, but rather a group of students deserving recognition for scholastic achievement. Membership in the Honor Society may open many doors to opportunity.

CAREERS' DAY

On February 26, 1963, South High enjoyed its first Careers' Day. Each student chose two vocations he would most like to pursue and attended enlightening lectures pertaining to them. Among the twenty-six speakers were representatives from industries, colleges, technical schools, and numerous specialty fields. The day proved to be a beneficial one for the student body, and it is hoped that a Careers' Day will become an annual event.

ALMA MATER

We salute thee, Alma Mater,
And praise thee in voices high.
Your guiding light will be ever bright
As we traverse on to the fore.
